Welcome to the "Camping Ampersee"
Situated on the idyllic Ampersee, our campsite invites you to escape the hustle and bustle and the gray of the city.

Whether on long walks on green meadows, by bicycle through the mystical floodplain of the Amper (Amper Ammer-cycle), when bathing or paddling, you can unwind and enjoy romantic sunsets.

The Allianz Arena, the BMW World, the German Museum and the place of the famous Oktoberfest beer festival are just some Munich attractions, which can be easily reached from here.

But also in the surrounding area there is much to see: the concentration camp memorial at Dachau, Schleissheim castle, Dachau oldtown castle, Monastery Fürstenfeld, etc.

Around the campsite

For shopping is taken care of in the city Olching only 3km away. A large shopping center, supermarkets, numerous boutiques but also pharmacies, hardware stores and camping accessories leave nothing to be desired.

Sporty interested can distribute with golf, mini golf, horse riding, bowling and even kart ride the time.

A place to feel good

Our spacious pitches are separated by small hedges and offer plenty of room for tents, caravans or motorhomes. For long stays, we provide our guests extra large pitches. For our younger guests there is a playground.

A small restaurant with cold / warm kitchen and sun terrace directly on the lake completes the offer. Dogs are welcome. (On leash)
