

## Welcome to the „Camping Ampersee“

Situated on the idyllic Ampersee, our campsite invites you to escape the hustle and bustle and the gray of the city.

Whether on long walks on green meadows, by bicycle through the mystical floodplain of the Amper (Amper Ammer-cycle), when bathing or paddling, you can unwind and enjoy romantic sunsets.

The Allianz Arena, the BMW Welt, the German Museum and the place of the famous Oktoberfest beer festival are just some Munich attractions, which are easily reached from here.

But also in the surrounding area there is much to see: the concentration camp memorial at Dachau, Schleissheim castle, Dachau oldtown castle, Monastery Fürstenfeld, etc.
